

**Contains NO Chlorinated Solvents**  
**(NO 1,1,1-Trichloroethane)**  
**NO Hexane • NO CFC's**

Easy to use. Contains no acid, alkalis, abrasives or heavy creams. Quickly cleans and restores luster to metal surfaces without difficult rubbing and polishing. When applied as directed, this product will clean and restore a high luster while leaving a protection coating to aid in retarding tarnishing of the surface.

- Stainless steel • Chrome
- Aluminum
- Brass • Copper
- Zinc • Mild Steel
- Most other metal surfaces

#### Use On:

Kitchen appliances, washroom fixtures, restaurant and institutional equipment, drinking fountains, decorative metal surface, elevator doors, waster paper receptacles.

#### Directions:

Remove protective cap. Spray surface to be cleaned liberally. Wipe with a clean, damp cloth leaving a small amount of residue on the surface. With a clean, dry cloth polish to a high luster.
