

CITRO 100 Degreaser & Odor Counteractant is the safest alternative to using chlorinated solvents for degreasing metal surfaces. Simple and easy degreasing of engines, tools, parts, workbenches, vent covers, machinery, coils, industrial equipment, concrete! Contains a potent blend of grease-dissolving agents and detergents that provide powerful degreasing action. Deodorizes as it degreases, leaving the area with a fresh citrus aroma. Dissolves many industrial strength adhesives, protective coatings, as well as emulsifies tar and asphalt.

USE ON

Public Vehicles, Machinery, Tools, Lawn Equipment, Construction Equipment, Road Equipment, Driveways and Parking Lots, Industrial Equipment, Air Conditioning Coils, and Exhaust Vents, Removing Adhesive, Tire Marks, Printer Inks, Lipstick and Removing Makeup from Clothing, and Stains from Carpet and Upholstery.

CITRO 100 Degreaser & Odor Counteractant is formulated to degrease molds, dies, and other industrial equipment. It emulsifies tar and asphalt, and removes many industrial glues and protective coatings. Cleans unpainted concrete floors and helps to remove scuffs and rubber tire marks. NOTE: Do not spray into or on electrical equipment. Pretest on paints and plastics.

DIRECTIONS FOR USE

For best results, direct actuator at area to be degreased, holding can approximately 8 inches away. Spray liberally. Allow to penetrate grease, tar or grime. For heavy deposits, allow extra time. For stubborn spots, agitate with a brush. Wipe area clean with a damp cloth or rinse thoroughly with water. When cleaning fabrics, always test in an inconspicuous area for color fastness.

This product is designed exclusively for industrial and institutional use by trained personnel. This product is sold 'as is' and the manufacturer makes no warranty, expressed or implied, of merchantability, and/or fitness for a particular purpose or otherwise.
