

CLEANS

CERAMIC TILE • FIBERGLASS

PORCELAIN • STAINLESS STEEL

CHROME

Tub & Tile cleaner is a concentrated cleaner designed to remove heavy soap scum, body oils, mineral deposits, rust and other soils found in showers, tubs, urinals, bowls and other hard surfaces. **Tub & Tile cleaner** will effectively remove a wide variety of contaminate soils off ceramic tile, fiberglass, porcelain, stainless steel, chrome and other institutional surfaces. In addition to its superior cleaning ability, **Tub & Tile cleaner** counteracts odors at their source and leaves surfaces with a fresh clean scent. Use of this product increases the level of sanitation in shower rooms, locker rooms, restrooms and other areas where it is used.

DIRECTIONS

Apply **Tub & Tile cleaner** as is by trigger sprayer on surface to be cleaned until completely wet. Allow cleaner to contact surface for 60 seconds to penetrate deposits. Heavier buildup may require longer contact time or agitation. Do not allow product to dry on surface. Wipe with a sponge, cloth or brush and rinse with clean water.

TUB & TILE CLEANER

A READY TO USE FOAMING BATHROOM CLEANER
