

## SHAKE WELL BEFORE USING

**ERADICATOR** is a powerful carpet stain and spot remover. Contains strong cleaners and degreasers to remove stains due to dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. Upside down spray valve allows easy application. Stream spray concentrates product on spots and stains without heavy overspray. This product quickly saturates materials for instant cleaning. Leaves no residue. Contains no solvents which might soften carpet backings. This product also contains an odor neutralizer which destroys odors due to urine, vomit and blood through oxidation catalysis. A pleasant fragrance remains.

**USE PRECAUTIONS:** Although this product will not harm most carpet fabrics, the carpet needs to be tested for color fastness prior to using. To test for color fastness, spray small area of carpet in a hidden or out of the way spot and let dry. If product discolors carpet, contact supplier before using. Do not use on white or light colored carpet. Do not oversaturate. Product could penetrate to backing and leave spotting. Blot up cleaner thoroughly after application leaving carpet dry. If can is cold, product will foam but this will not impede the effectiveness of the product. Do not use in combination with any other stain or odor removing chemical(s). **NOTE:** This product was specifically designed to remove stains and spots from carpet. Use on any other type of material such as upholstery fabric, curtains or clothing will NOT be warranted by the manufacturer

### DIRECTIONS:

Can sprays upside down only. Remove protective cap. Shake well. Hold can upside down. Point opening in spray tip towards spot or stain. Depress the tab on the top of the spray tip to spray. Hold can at arm's length. It is not necessary to bend down to apply this product. Apply in short bursts until spot or stain is covered. Allow a short period of time for spotter to penetrate stain. Blot spot with a clean cloth working from center of stain out. Stain or spot will be gone in seconds. Excessive deposits of grease, oil or ink may require additional applications. Wait until material is dry before reapplying.
