

UNFREEZES CAR LOCKS & WIPERS

NON-SMEARING FORMULA FOR
WINDSHIELDS & WINDOWS

DESCRIPTION

A fast acting frost and ice remover specifically formulated to quickly dissolve ice, frost and snow deposits.

FEATURES AND BENEFITS

Melts ice, frost and snow instantly, fast acting, water rinseable, thaws frozen locks. Helps prevent freezing when applied in advance. Eliminates scraping and potential damage to glass. Works in any temperature.

APPLICATIONS AND USES

Works on windows, headlights, windshields, locks, tires, sidewalks, steps, AC equipment, tail lights and hinges. Areas of use include automobiles, buses, trucks, maintenance equipment, police and fire departments, fleet maintenance, food service operations and all maintenance crews.

DIRECTIONS FOR USE

Shake well before use. Brush away snow and ice build-up, and spray liberally on the surface to be de-iced. For lock use, insert extension tube into spray head, spray liberally into lock until free. See product label for complete instructions.

WARNING: This product can expose you to chemicals including Methanol, Ethylene Glycol and 2-Methoxyethanol, which are known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
