

**BEST MADE
PENETRANT**

**FAST ACTING
INFILTRATION**

NUTS & BOLTS

• FROZEN METAL PARTS

• CORRODED PIPE

THREADS

• RUSTED OR STUCK PARTS

***INFINITY** is a penetrating oil that's specifically designed to cut through all types of corrosion. **INFINITY** penetrates, seeps and evaporates into spaces dissolving rust and corrosion. You'll find it's the best penetrating oil you will ever use!*

Pin Point Spray
Infinity gets right where you need it!

DIRECTIONS

Get close. Get really close. Now spray until you have completely saturated the area of concern. Let **INFINITY** work its magic for a minute or two. You may have to give it a bit more time if you have a stubborn bolt or excessive corrosion build up. If your target area is especially crusty, use **INFINITY** to pre-clean the area before applying the soaking application.

NOTE:

Need to protect parts before storing them. Just lightly coat them with **INFINITY** and they will be ready for use when you need them.
