

WECHEM®

AQUA CLEAN™

BOWL UNIT

Odor & Scale Controller with Color Signal

With every flush, specific odor-combating and scale-dissolving agents are dispensed into the bowl. Mineral scale, which traps organic waste and leaves an unsightly ring, is never allowed to form.

A blue color signal is released with each flush to indicate the unit is working to protect the bowl. A pleasing blue tint is left in the water and a light scent freshens the restroom air.

The unit is designed to snap fit onto the rim of the toilet bowl. Baffles direct the water flow for uniform dissolution of the toilet stick.

**WORKS AROUND THE CLOCK
TO GUARANTEE A PROBLEM-FREE TOILET BOWL**

Contains 12 Units
Net Weight of Each 1.9 OZ. (54 Grams)

04/07

CAUTION:

KEEP OUT OF REACH OF CHILDREN.
Do not take internally.

FIRST AID:

EYES: Flush with cold water.

SKIN: Wash affected area with water and contact physician.

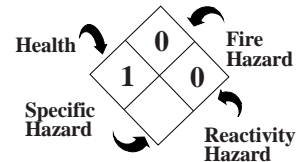

INGESTION: INDUCE VOMITING, contact physician.

CONTAINS:

CAS#

Sodium Dodecyl Benzene Sulfonate.....	25155-30-0
Sodium Sulfate Anhydrous.....	7757-82-6
Sodium Tetraborate Pentahydrate .	12179-04-33
Sodium Tallowate (soap).....	8052-48-0
Polyethelene Glycol.....	25322-68-3

NFPA

HAZARD RATING:

- 4-EXTREME
- 3-HIGH
- 2-MODERATE
- 1-SLIGHT

Proper Shipping Name: Deodorants, N.O.I
