

FINE MIST AEROSOL ODOR COUNTERACTANT

Destroy odors, not just mask them. Fine, dry mist floats through the air and reduces the danger of slips and falls as a result of wet fall-out on the floor. Now, new technology allows for a finely atomized DRY spray, 100% of the fragrance is available instantly to deodorize and freshen every cubic inch of the room. The dryness of the spray allows for complete deodorization without messy fallout, residues, wetting or staining. Safe and easy to use.

*Low VOC (Volatile Organic Compound) content meets Federal and State Volatile Organic Compound Emission Standards for air fresheners of this type.

Use almost anywhere, to freshen and deodorize bathrooms, kitchens, offices, sickrooms, hotel rooms, auto interiors, closets, lockers, chests, showers, and around garbage receptacles. Used by many leading hotels, motels, restaurants, hospitals, apartments, recreation centers, schools, nurseries, fitness centers, animal clinics, and nursing homes.

DIRECTIONS FOR USE

GENERAL: No shaking necessary. Press firmly on spray button. Keep spray opening at least 12 inches from surfaces.

TO FRESHEN THE AIR: Aim spray toward ceiling and corners of room or other area to be treated. The atomized mist will quickly travel throughout the area.

TO DEODORIZE AIR:

Spray with a wide sweeping motion to minimize fallout. Use wherever odors occur and as often as needed to maintain freshness.

SPRAY REGULARLY:

Use in bathrooms, sick rooms, basements, smoke filled rooms, offices — anywhere that odor is a problem. Keeps every room fresh and fragrant.

NET WT. 10 OZ.
(283 g)

REV 7/21

DANGER: Extremely flammable aerosol. Contains gas under pressure; may explode if heated. Causes serious eye irritation. May cause drowsiness or dizziness.

If medical advice is needed, have product container or label at hand. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Wash hands thoroughly after handling. Wear eye protection and face protection. Avoid breathing mist, vapors or spray. Use only outdoors or in a well-ventilated area. Protect from sunlight. Do not expose to temperatures exceeding 50°C / 122°F. Store in a well-ventilated place. Store locked up. Dispose of contents and container in accordance with local, regional, national and international regulations.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a POISON CENTER or doctor if you feel unwell.

CONTAINS [CAS#]: Acetone [67-64-1], Petroleum gases, liquefied, sweetened [68476-86-8], Triethylene Glycol [112-27-6], Diethyl Phthalate [84-66-2], 2,6-Dimethyl-7-octen-2-ol [18479-58-8], Hexamethylindanopyran [1222-05-5], Linalyl Acetate [115-95-7], Benzyl Salicylate [118-58-1], Dihydro-3-(octenyl)furan-2,5-dione [26680-54-6], Isoamyl Salicylate [87-20-7], Methylmethylpentenylcyclohexene-1-carbaldehyde [52474-60-9], Acetylcedrene [32388-55-9], Linalool [78-70-6], Linalool Dihydroepoxide [1365-19-1], Ethyl Linalool [10339-55-6], Methylbenzyl Acetate [93-92-5], Methyl Ionone [1335-46-2], Methylidihydrojasmonate [24851-98-7], Dimethylbenzyl Carbonyl Acetate [151-05-3], Sweet Orange Oil [68647-72-3], Citronellol [106-22-9], Pinene [80-56-8], Lavandula hybrida Oil [8022-15-9], Pentaerythrityl Tetra-di-t-butyl Hydroxyhydrocinnamate [6683-19-8], Eucalyptus citriodora Oil [8000-48-4], Eucalyptol [470-82-6]. Contains fragrance allergens. For more ingredient information, visit www.wechem.com or call 1 (800) 426-0512
