

CHOKE & CARB instantly cleans carburetor throat, automatic choke butterfly valve, PCV valve and linkage. Removes the gum and varnish that build up over time.

Designed for use on trucks, automobiles, tractors, power mowers and all other gasoline engines.

DESCRIPTION

Cleans carburetors, choke linkages, intake manifolds, throttle plates, mass air sensors, manifold heat controls, thermostatic coils, and PVC valves. Cleans the carburetor right down to bare metal. The powerful flushing action of Choke & Carb removes carbon deposits that impede performance.

FEATURES AND BENEFITS

Cleans carburetor to bare metal to maximize performance. Helps free valves, automatic chokes, heat risers, and intake parts. Dissolves gums, varnish, carbon, dirt and grease instantly with powerful flushing action. Regular use improves overall performance. Improves acceleration and eliminates rough idling and stalling.

APPLICATIONS AND USES

Instant tune up formula, which helps eliminate rough idling and improves gas mileage and is even sensor safe!

DIRECTIONS FOR USE

Shake well before using. Turn off engine – remove air cleaner. Spray carburetor and carburetor throat. Start engine and spray inside of carburetor liberally product label for complete instructions.
