

DESCRIPTION

CLEAN BRAKE is a highly concentrated solvent blend providing maximum performance in a brake parts cleaner without the use of ozone depleting chlorinated solvents. Powerful blasting spray easily removes brake fluid, grease, oily dirt and contaminants from linings, pads and drums, cylinders and springs without disassembling the unit.

DIRECTIONS

Spray brake parts liberally and allow to run off. Air or towel dry with clean, soft wiper. Repeat as necessary. Protect rubber and plastic parts from spray.

IMPORTANT - DO NOT SPRAY ON HOT OR WARM SURFACES.

DANGER

Vapors from this product may travel or be moved by air currents and ignited by pilot lights, other flames, smoking, sparks, heaters, electrical equipment, static discharge, or other ignition sources at locations distant from point of product use. Proper grounding/bonding procedure must be done. Adequate ventilation must be provided during use. Waste oil contaminated with this product poses a flammability hazard.

FLAMMABLE

Do not use near heat, sparks, open flame or other sources of ignition. Do not smoke in use area.
