

DESCRIPTION

EXCEL is a residue free, fast drying formula that quickly dissolves grease/oils and rinses away dirt and grime without injury to working parts. Contains an accepted replacement for 1,1,1-Trichloroethane under the EPA SNAP program. Contains no CFC's or ozone depleting chemicals. High dielectric strength combine with non-flammability make this degreaser safe for use on motors, generators, relays and control panels.

USES

Automotive Parts

Diesel Engines

Marine Equipment

Aircraft Parts

Industrial Equipment

Heating & Air Conditioning Equipment

Refrigeration Equipment

Generators

Motors

Winding

Power Tools

DIRECTIONS

Saturate area to be cleaned. Wipe off or allow to air dry. For heavily encrusted areas, brush then rinse off with a second application.
