

# HULK SYSTEM®-101ES

**HEAVY DUTY  
INDUSTRIAL CLEANER**

**Readily Biodegradable  
Non-Flammable**

## DESCRIPTION:

HULK SYSTEM® 101ES is a highly effective moderately alkaline detergent system. It is formulated to meet or exceed the tightest standards for employees' safety and/or adverse environmental impact. It is effectively neutral in pH, and only utilizes components that are readily biodegradable.

Since this material is non-corrosive and essentially neutral, it may be used to remove unwanted soils and contaminants from nearly any water-safe surface, including those that are painted. Special ingredients make this formulation especially effective at removing unwanted petroleum hydrocarbon soils from virtually any surface.

## DIRECTIONS:

Hulk System® 101ES is specifically designed for multi-use cleaning of industrial surfaces. It is suited for use with steam cleaners, ressure washers, floor cleaning equipment and manual cleaning operations. This product may be diluted further with water prior to use. Degree of product strength necessary to clean is directly related to the type of soil being removed and the degree of buildup. Adjust dilution level until achieving optimal cleaning results.

## OIL/WATER SEPARATOR SAFE:

Hulk System® 101ES contains special surface-active agents that only temporarily suspend hydrocarbon-based soils allowing for quick phase separation. Hulk System® 101ES is ideally suited for consumers who are attempting to capture hydrocarbons from their cleaning water discharge with oil/water separators. If special concern is warranted for a painted surface, Wechem recommends pre-testing on a small area prior to wide scale use.

## WARNING

KEEP AWAY FROM CHILDREN.

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.  
SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS.

NET CONTENTS: U.S. GALLONS

1/15

## WARNING:

May be harmful if swallowed. Causes skin irritation. Causes eye irritation. May cause respiratory irritation.

Wear protective gloves/protective clothing/eye protection/face protection. Do not breathe dust/fume/gas/mist/vapors/spray.

**IF SWALLOWED:** Immediately call a POISON CENTER or doctor/physician. Rinse mouth. Do NOT induce vomiting.

**IF ON SKIN** (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

**IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

**IF IN EYES:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician.

READ SAFETY DATA SHEET BEFORE USE.
