

# HULK SYSTEM®-250FS

BATCH#

**100%  
Active!**

Single Source  
Hyper-Concentrate

## FORMULATION BASE

### HULK SYSTEM SOLO PROGRAM DESCRIPTION

The **Hulk System Program** was formulated as a replacement technology for consumers who purchase large quantities of detergents in bulk tanks, totes or multiple drums. It utilizes the latest chemical technologies to simplify the transportation, storage and use of detergents while drastically reducing all associated costs.

Our patented chemical dispensing **HULK SYSTEM®** is a self contained, free standing unit which simplifies the cleaning process. Just connect our unit to your water supply then it's an easy spray on, let soak and rinse off procedure. The **Hulk System®** saves you time, money, storage space, and provides unmatched quality control.

### ABOUT THIS FORMULATION

**Hulk System® 250FS Formulation Base** is a 100% active hyper-concentrate designed exclusively for use through the **Hulk System®** Detergent Dispenser. When used as directed, this material will produce large quantities of concentrated detergent. This hyper-concentrated product is comparable to many competitive concentrates and may be further diluted prior to use.

**Hulk System® 250FS Formulation Base** was designed to produce an effective concentrated material that will meet or exceed the tightest standards for employee safety and/or adverse environmental impact. It only utilizes components that are inherently biodegradable.

**Hulk System® 250FS Formulation Base** is designed for durable industrial surfaces and should be used with care. Users should pretest prior to wide spread application.

This product is acceptable for use as a general cleaner (A1) on all surfaces in and around food processing areas, where its use is not intended for direct food contact.

Nonfood Compounds  
Program Listed (Category A1)  
Registrations # 139508

### DANGER

KEEP AWAY FROM CHILDREN.  
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.  
SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS.

NET CONTENTS: U.S. GALLONS

8/16

### DANGER: Corrosive Liquid

Harmful if swallowed. Causes severe skin burns and eye damage. May cause respiratory irritation.

Wear protective gloves/protective clothing/eye protection/face protection.

**If swallowed:** Call a POISON CENTER or doctor/physician if you feel unwell. Rinse mouth. Do NOT induce vomiting.

**If on skin (or hair):** Remove/take off immediately all contaminated clothing. Rinse skin with water/shower.

**If inhaled:** Remove victim to fresh air and keep at rest in a position comfortable for breathing.

**If in eyes:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing.

READ SAFETY DATA SHEET BEFORE USE.
