

HULK SYSTEM®-250FS

**HEAVY DUTY
INDUSTRIAL CLEANER**

**Readily Biodegradable
Non-Flammable**

DESCRIPTION:

HULK SYSTEM® 250FS is a highly effective moderately alkaline detergent system that contains no harsh alkaline builders utilizing only components that are readily biodegradable.

HULK SYSTEM® 250FS is designed for use on durable industrial surfaces and should be used with care. Users should pre-test prior to wide spread application.

* Special ingredients make this formulation especially effective at removing unwanted petroleum hydrocarbon soils from virtually any surface.

This product is acceptable for use as a general cleaner (A1) on all surfaces in and around food processing areas, where its use is not intended for direct food contact.

Nonfood Compounds
Program Listed (Category A1)
Registrations # 139508

DIRECTIONS:

Hulk System® 250FS is specifically designed for multi-use cleaning of industrial surfaces. It is suited for use with steam cleaners, pressure washers, floor cleaning equipment and manual cleaning operations. This product may be diluted further with water prior to use. Degree of product strength necessary to clean is directly related to the type of soil being removed and the degree of buildup. Adjust dilution level until achieving optimal cleaning results.

OIL/WATER SEPARATOR SAFE:

Hulk System® 250FS contains special surface-active agents that only temporarily suspend hydrocarbon-based soils allowing for quick phase separation. **Hulk System® 250FS** is ideally suited for consumers who are attempting to capture hydrocarbons from their cleaning water discharge with oil/water separators. If special concern is warranted for a painted surface, Wechem recommends pre-testing on a small area prior to wide scale use.

DANGER

KEEP AWAY FROM CHILDREN.

**FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.
SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS.**

NET CONTENTS: U.S. GALLONS

10/14

DANGER: Corrosive Liquid.

Harmful if swallowed. Causes severe skin burns and eye damage. May cause respiratory irritation.

Wear protective gloves/protective clothing/eye protection/face protection. Do not breathe dust/fume/gas/mist/vapors/spray.
