

# HULK SYSTEM®-400

**HEAVY DUTY  
INDUSTRIAL CLEANER**

**Readily Biodegradable  
Non-Flammable**

## DESCRIPTION:

**HULK SYSTEM® 400** is a highly effective alkaline detergent system formulated to remove the toughest industrial grime. The fast action of **HULK SYSTEM® 400** quickly penetrates, cuts through and emulsifies tough industrial and institutional soils. Ideally suited for cleaning a wide variety of soil conditions from most hard, durable surfaces; utilizing only components that are readily biodegradable.

NOTE: **HULK SYSTEM® 400** is designed for use on durable industrial surfaces and should be used with care. Users should pre-test prior to wide spread application.

\*Special ingredients make this formulation especially effective at removing unwanted petroleum hydrocarbon soils.

## DIRECTIONS:

**Hulk System® 400** is specifically designed for multi-use cleaning of industrial surfaces. Degree of product strength necessary to clean is directly related to the type of soil being removed and the degree of buildup. Adjust dilution level until achieving optimal cleaning results.

\*If special concern is warranted for a painted surface, Wechem recommends pre-testing on a small area prior to wide scale use.

## WARNING:

May be harmful if swallowed and enters airways. Causes skin irritation. Causes eye irritation. May cause respiratory irritation. Wear protective gloves/protective clothing/eye protection/face protection. Do not breathe dust/fume/gas/mist/vapors/spray. Keep away from heat/sparks/open flames/hot surfaces. No smoking.
