

# HULK SYSTEM®-#55

## READY-TO-USE

### DESCRIPTION

**Hulk System® #55** is a highly effective detergent cleaner. It quickly cuts through and dissolves a wide variety of soils including: oils, greases and grime. Oil Field, Industrial Marine, Food Industries and Municipal uses are virtually unlimited. **Hulk System® #55** is soluble in water and biodegradable.

### DIRECTIONS

**Hulk System® #55** is specifically designed for multi-use cleaning of industrial surfaces. It is suited for use with steam cleaners, pressure washers, floor cleaning equipment and manual cleaning operations. This product may be further diluted with water prior to use. Degree of product strength necessary to clean is directly related to the type of solids being removed and the degree of buildup. Adjust dilution level until achieving optimal cleaning results.
