**MFA 2500** is a premium grease/graphite blend anti-seize formulated to prevent seizing and galling at high temperatures and extreme pressures without the use of copper or lead. Temperature-resistant from -40°F to 2500°F. Lubricates and protects most metal fasteners and fittings, including soft metals, from corrosion and rust. Prevents metal-to-metal contact. **MFA 2500** eases assembly and disassembly of metal parts while reducing friction and wear.

**SUGGESTED APPLICATIONS:**

Applications prohibiting the use of copper, nickel and other metals, threaded connections, metal fittings, seals, packings, pressfits and sleeves. Many applications exist in chemical plants, waste and water treatment plants, and mining facilities.

**DIRECTIONS:**

Clean threads or application area. Apply thin coating with stiff bristle brush. Assemble parts. To avoid contamination, close container when not using.

# MFA 2500™

## Metal Free Anti-Seize

Meets MIL-A-907-E

- **SAFE FOR EMPLOYEES**
- **No Dropping Point - Will NOT Melt**
- **Prevents Seizure at High Temps**
- **Compatible with Soft Metals**
- **Enables Fast Disassembly even after High Temp Exposure**
- **Prevents Galling on Steel, Stainless Steel, Titanium, Magnesium and other Hard Metals**

**ENVIRONMENTALLY  
PREFERRED**

**WARNING**

**KEEP OUT OF REACH OF CHILDREN**  
**FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.**

(SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS AND FIRST AID STATEMENTS.)

**NET CONTENTS: 16 OZ. (1 LB)**

5/15

**WARNING:** May be harmful if swallowed. Causes mild skin irritation. Causes serious eye irritation. May cause respiratory irritation. Obtain special instructions before use. Do not breathe dust/fume/gas/mist/vapors/spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using product. Wear protective glove/protective clothing/eye protection/face protection. Store in a well-ventilated place. Keep container tightly closed. Dispose of contents/container in accordance with local/regional/national/international regulations.

**IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Call a POISON CENTER or doctor/physician if you feel unwell.

**IF ON SKIN (or hair):** Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation or a rash occurs: Get medical advice/attention.

**IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Get medical advice/attention if you feel unwell.

**IF exposed or concerned:** Get medical advice/attention.

**IF IN EYES:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
