

Cleans Unsightly Stains

SPRAY ON - LET DRY

MILDEX 100 removes unsightly mildew stains on contact. **MILDEX 100** contains detergent, wetting agents and sodium hypochlorite, one of the most effective mildew stain removers available for all types of surfaces painted and unpainted. **MILDEX 100** is excellent for use on bathroom tile, grout, showers, shower curtains, mats, vinyl canopies, awnings, brick, concrete, auto and boat tops, before painting under eaves, refrigerator gaskets, patio furniture, ceilings, walls, wood or metallic surfaces and all surfaces exposed to water or moisture. Do NOT use on anodized aluminum.

DIRECTIONS

Just spray on from the bottom up and let dry. Test for color strength on paint and hard surfaces. We recommend testing on a small inconspicuous place before using.

DO NOT MIX WITH ANY OTHER CHEMICALS!

- Avoid contact of product with plants.
- Do not spray or allow **MILDEX 100** to contact fabrics.
- Use all product in sprayer then rinse sprayer for proper storing.
