

NBC is a versatile Cleaner & Degreaser. It quickly cuts through and emulsifies the toughest oils, grease and grime. Institutional, municipal, industrial, marine and food industry uses are virtually unlimited. **NBC** may be used through all types of mechanical cleaning equipment, including steam cleaners, pressure washers and automatic scrubbing machines. It may also be used in manual cleaning operations, including: bucket washing, mopping and scrubbing. The special emulsifying action of this product will allow for easy rinsing and equipment cleaning.
