

NEUTRALIZER provides a one-step solution to battery terminal corrosion removal and acid neutralization. Delivers a powerful, heavy-duty foam that clings to battery surfaces, provides extended contact time and neutralizes acid quickly. Helps eliminate power leaks and aids in restoring full starting power.

FOR USE ON:

Fleet Cars • Trucks and Buses

Taxi Fleets • Forklifts

**Construction, Agricultural and
Marine Equipment**

**Aircraft • Golf Carts • Postal
Vehicles • Industrial Battery
Backup Systems.**

DIRECTIONS:

SHAKE WELL BEFORE USING

Spray on cables, clamps, terminals, brackets, housings and entire battery surface. (Be sure cell covers are tightly sealed). Product will spray out light yellow and turn red in the presence of acid. Allow foam to work for several minutes, then flush off with water or a damp cloth. For severe corrosion, follow with a second application. If solution still turns red, acid neutralization process is not complete. Allow to set then repeat. For heavy deposits, agitation with a wire brush may be needed. If sprayed foam remains yellow... all acid has been neutralized. Allow product to dry and form residual protective film.

Engineered Chemistries
SUPERIOR SOLUTIONS

**INCREASES BATTERY LIFE
IMPROVES BATTERY PERFORMANCE
MINIMIZES CURRENT LEAKS
LEAVES PROTECTIVE FILM**

DANGER

**EXTREMELY FLAMMABLE AEROSOL.
CONTAINS GAS UNDER PRESSURE.
MAY EXPLODE IF HEATED.**

NET WT: 18 OZ. (510g)

DANGER

Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes eye irritation.

Keep away from heat, sparks, open flames, and hot surfaces. -No smoking.

Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Dispose of contents and container in accordance with local, state and federal regulations.

CONTAINS (CAS#): Water (7732-18-5), Propane/n-Butane (68476-86-8), Sodium 4-(4-dimethylaminophenylazo)benzenesulfonate (547-58-0), 2-Butoxyethanol (111-76-2), Isopropyl Alcohol (67-63-0).

KEEP OUT OF REACH OF CHILDREN.

See Safety Data Sheet for complete safety information.
24 HOUR MEDICAL EMERGENCY: 1-800-535-5053.
