

DESCRIPTION

PARTS-SOLV H.F. is an industrial strength degreasing solvent designed to remove grease, oil, tar, carbon and other soils from parts and equipment. Special penetrating agents provide rapid and complete soil removal. **PARTS-SOLV H.F.** is made for use with all types of cold solution parts cleaners, manual operations and soak tanks.

DIRECTIONS

Allow **PARTS-SOLV H.F.** to circulate in parts washer until parts are clean. Stubborn deposits may require light brushing. Larger parts may be immersed in **PARTS-SOLV H.F.** This product is ready to use.
