

IDEAL FOR USE ON -
LOCKS/HINGES
ELECTRICAL CONTACTS
NUTS & BOLTS · BRAKES
TOOLS · BATTERIES
RODS & REELS · DISTRIBUTORS
GUNS · SLIDES
ROLLERS · BREAKERS

DESCRIPTION

P.D.L. 50 is the ultimate, mechanical oil formulation. It's a fast-acting penetrating oil, an outstanding demoisturant, long lasting lubricant and a super corrosion blocker all in one. **P.D.L. 50** saturates surfaces, breaks through rust and corrosion and leaves a rust preventative, moisture displacing, protective film.

DIRECTIONS

Saturate the surface to be treated, allow the fast-acting formula of **P.D.L. 50** to bust through rust and corrosion. Loosened rust may be wiped off and surface will be easy to separate. Stubborn cases may require longer soak time or repeated applications. **P.D.L. 50** has superior moisture displacing properties. Simply spray or wipe onto surface and **P.D.L. 50** will drive off moisture and leave a protective barrier.

TEST DATA

Water Displacement:

Federal Standard STD-791, Method 3007 Pass

Accelerated Corrosion Tests:

5% Salt Spray (Hours) ASTM B-117 120

100% Relative Humidity (Hours) ASTM D-1748 2000

Engineered Chemistries
SUPERIOR SOLUTIONS

P.D.L. 50™

Penetrant · Demoisturant · Lubricant

LEAVES A RUST PREVENTATIVE PROTECTIVE FILM

WARNING - COMBUSTIBLE

KEEP OUT OF REACH OF CHILDREN.

FOR INDUSTRIAL & INSTITUTIONAL USE ONLY.

(SEE RIGHT PANEL FOR ADDITIONAL CAUTIONS AND FIRST AID STATEMENTS.)

NET CONTENTS: U.S. GALLON

5/15

WARNING:

Combustible liquid. Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation.

Keep away from heat/sparks/open flames/hot surfaces. No smoking. Wear protective gloves/protective clothing/eye protection/face protection. Do not breathe dust/fume/gas/mist/vapors/spray. Wash thoroughly after handling. Use only in a well-ventilated area.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician.

IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Call a POISON CENTER or doctor/physician.

Contains petroleum distillates.

READ SAFETY DATA SHEET BEFORE USE.
