

## DESCRIPTION

**RED TORNADO** sewer solvent chemically opens drains in sewer pipes by reacting quickly on grease, rags, paper and other organic materials. This is a very low sudsing, caustic, alkaline powder that contains an aluminum catalyst for superior performance.

## DIRECTIONS

Wear protective gloves, face mask, splash proof goggles; and other protective clothing to avoid eye or skin contact.

**SEWER CLEANER** - Pour small amount into drain at manhole opening making sure all precautions are taken to avoid injury. After 15 minutes run plenty of water through drain. Use sewer solvent at regular intervals to keep sewers open. Do not stand over opening after pouring in the solution.

**DO NOT ADD HOT WATER.**

**DO NOT USE AROUND OPEN FLAME.**

**WARNING:** Careless use can cause **SEVERE BURNS** to SKIN and EYES.

**EXPOSURE:** Severity of injury depends largely on product concentration and duration of exposure. Immediate action is necessary to limit severity of injury. Can cause minor irritation to severe burns and tissue damage to exposed areas of the body. May be harmful or fatal if swallowed.

**CAUTION:** It is recommended that protective gloves and safety glasses be worn when using this product. Make sure there is adequate ventilation. Refer to the Safety Data Sheet (SDS) for additional safety information.

**STORAGE:** Store in a cool dry place. Keep container closed when not in use.

This product is designed exclusively for industrial and institutional use by trained personnel. This product is sold as is and the manufacturer makes no warranty, express or implied, of merchantability, fitness for a particular purpose or otherwise.
