

DESCRIPTION

If you've got dirty hands **TUFF TOWELS** are the answer! These heavy duty wipes are specifically formulated for safe and effective cleaning of the dirtiest hands. They are pre-moistened and ready to use.

CHECK OUT THESE FEATURES

Specially Designed Wiper - To clean really dirty hands you've got to have some scrubbing power. We've built heavy scrubbing textures right onto the surface of every towel!

Natural Cleaner - We put a little mother nature into each wipe. **TUFF TOWELS** are saturated with a highly effective waterless hand cleaning solution.

Skin Conditioning - Do you clean your hands several times a day? So much hand washing causes skin to dry out. That is why every **TUFF TOWELS** wipe contains three very effective skin conditioners: Aloe Vera, Glycerin, and Vitamin E to combat skin dry out.

Other Applications - **TUFF TOWELS** make an excellent multi-purpose cleaning towel for tools and equipment. You'll find many cleaning applications where the quick and effective use of **TUFF TOWELS** is just what you are looking for. May be used on most surfaces not harmed by water.

DIRECTIONS

1. Remove top, pull wipe from the middle of the roll and thread through opening in the top and replace lid.
2. Pull wipes up and then out at a 45° angle to tear off at perforation.
3. Wipe hands thoroughly using both sides of wipe.
4. Dispose of used wipes in proper containers.
