

DESCRIPTION

WASH-N-WAX is truly the ultimate complete exterior car cleaner. This formulation is a super concentrate of the finest detergent ingredients available today. It combines a fast acting detergent system and an advanced wax-like, polymer compound that will leave your vehicle clean and shiny in one simple step. Specifically formulated with neutral compounds, WASH-N-WAX is ideal for use on nearly any water safe surface.

Millions of tiny soap bubbles gently remove harmful road soils without any side effects to your vehicle's finish. Special rinse additives speed rinse time and eliminate water spotting potential.

DIRECTIONS

WASH-N-WAX is highly concentrated. The recommended dilution is 1 ounce of concentrate per gallon of water for most situations. Heavy soil conditions may require a higher mixing ratio.

NOTE: Do not allow mixed solution to dry on the vehicle.
