DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

Hold can 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin or clothing with a slow sweeping motion.

Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray directly on face. Do not apply near eyes and mouth. Spray on hands first, and then apply sparingly to face, neck and around ears, avoiding your eyes. Do not apply over cuts, wounds, or irritated skin, and do not apply to excessively sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Excessive amounts or frequent reapplication is unnecessary. Avoid over-application of this product. Do not exceed more than 2 applications per day. Apply sparingly around ears. After returning indoors, wash treated skin with soap and water and double check yourself and other family members for ticks. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your Poison Control Center. If you go to a doctor, take this product with you.
