

HEAVY-DUTY CONCRETE CLEANER

PIT BOSS

PIT BOSS is a fast acting granular detergent designed for use on concrete and unfinished wooden floors. The special wedding agents quickly penetrate and emulsify oil and greasy soils. **PIT BOSS**, when diluted in water, contains a Built-in Indicator to show strength of solution.

KEEP OUT OF REACH OF CHILDREN
Net Weight: U.S. LBS

DIRECTIONS

PIT BOSS may be used in either of the following methods depending on which is more convenient for the job at hand.

- (1) Wet floor area to be cleaned, then sprinkle **PIT BOSS** over the area to be cleaned. Allowed to stand for 5 to 10 minutes, then scrub with a stiff brush. Rinse the area and allow to dry.
- (2) Prepare a solution in the mop bucket by adding 2 to 4 ounces per gallon of water. The concentration of the solution should be in direct degree to the amount of soil present on the floor. Mop the solution on the floor and allow it to stand 5 to 10 minutes, then scrub with the stiff brush. Rinse the floor area and allow to dry.

DANGER:

May be harmful if swallowed. Causes severe skin burns and eye damage. May cause damage to organs through prolonged or repeated exposure. Harmful to aquatic life. Read label before use. Do not get in eyes, on skin, or on clothing. Avoid release to the environment. Dispose of contents/container in accordance with local / regional / national / international regulations.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

IF ON SKIN: Wash with plenty of water. Rinse immediately contaminated clothing and skin with plenty of water before removing clothes. If skin irritation or rash occurs: Get medical advice/attention.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

IF ON CLOTHING: Rinse immediately contaminated clothing and skin with plenty of water before removing clothes.
