Fast-acting ready-to-use liquid deicer formulated to penetrate and dissolve ice and snow in extreme cold conditions.

ICE BUSTER is a fast-acting, glycol-based liquid deicer designed to quickly penetrate and dissolve frost, snow, and ice on a wide range of surfaces. The formulation works immediately on contact, reducing ice buildup and helping prevent re-freezing when applied as directed.

1. Safe for use on asphalt, concrete, terrazzo, aluminum, steel, plastic, glass, rubber, and painted surfaces without leaving residue.

2. **Specifications**:
   - Freeze point: -65°F (-54°C)
   - Pour point: -90°F (-68°C)

IDEAL USE FOR:
- Melting ice and snow on walkways and hard surfaces
- Preventing ice buildup and re-freezing
- Deicing bridges, ramps, stairs, and loading docks
- Keeping locks, chains, hinges, and linkages from freezing
- Industrial and commercial winter safety maintenance

DIRECTIONS:
ICE BUSTER is a ready-to-use deicer. Apply directly by spraying, pouring, sprinkling, or swabbing onto ice or snow-covered surfaces. For thin ice, apply approximately **1 gallon per 1,000 square feet**. Thicker ice may require additional product or reapplication. Scoring glazed ice surfaces can improve penetration and speed melting. Remove slush and meltwater to reduce freeze-thaw damage on concrete.

ICE BUSTER

Liquid Deicer

KEEP OUT OF REACH OF CHILDREN.
(SEE RIGHT PANEL FOR ADDITIONAL PRECAUTIONS)

NET WT: U.S. GALLONS

DANGER:

HIGHLY FLAMMABLE LIQUID AND VAPOUR.
KEEP AWAY FROM HEAT/SPARKS/OPEN FLAMES/HOT SURFACES.
NO SMOKING.
Harmful if swallowed, in contact with skin or if inhaled. Causes skin and eye irritation. May damage fertility or the unborn child (state specific effect if known)(state route of exposure if it is conclusively proven that no other routes of exposure cause the hazard). May cause harm to breast-fed children. Causes damage to organs (blood, central nervous system, eyes) (Inhalation). May cause damage to organs (kidneys) through prolonged or repeated exposure (oral). Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep container tightly closed. Ground and bond container and receiving equipment. Use explosion-proof [electrical/ventilating/lighting/...] equipment. Use non-sparking tools. Take action to prevent static discharges. Do not breathe dust/fume/gas/mist/vapors/spray. Avoid contact during pregnancy and while nursing. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/eye protection/face protection. In case of fire: Use CO_2, or dry chemical to extinguish. Store in a well ventilated place. Keep cool. Store locked up. Dispose of contents/container in accordance to local/regional/national/international regulations.

IF INHALED: If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.
IF ON SKIN: Take off immediately all contaminated clothing and wash it before reuse. Wash with plenty of soap and water. If skin irritation occurs: Get medical advice/attention.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.
IF SWALLOWED: Do NOT induce vomiting. Rinse mouth. Immediately call a POISON CENTER or doctor/physician. Swallowing methanol is potentially lethal, symptoms of methanol poisoning can be delayed for 24 hours. If swallowed do not delay seek medical attention immediately. Never give anything by mouth to an unconscious person.

READ SAFETY DATA SHEET BEFORE USE.

WARNING: This product can expose you to chemicals including Ethylene glycol (ingested), and Methanol, which are known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

PROPER SHIPPING: UN1986, Alcohols, Flammable, Toxic, N.O.S. (Methanol Solution), 3, PGIII.
